

JP 2000-093462 was cited in the International Search Report and in the International Preliminary Report on Patentability. The relevancy of the reference and the claims to which the reference are considered relevant are described in the translations of those documents that are submitted concurrently with this Information Disclosure Statement. The other references listed on the attached copy of Form PTO-1449 were cited in the International Preliminary Report on Patentability.

The Examiner is requested to consider these references during the examination and to make the references of record.

Respectfully submitted,

Gerald E. Hespos
